

CERTIFICATE OF COMPLETION

This certificate is issued to:

Octavio Ruiz Díaz

Blue Stingray

For having achieved competence at the task management level:

CRISIS MANAGEMENT AND HUMAN BEHAVIOR

This certificate attests to competence in Crisis Management and Human Behavior as part of the Maritime Oil and Gas Industry Competency Program, after having been evaluated in both theoretical and practical aspects based on industry standards.

Objective

The participant must demonstrate knowledge, understanding, skills, and proficiency to take on responsibilities at the level of Crisis Management and Human Behavior management aboard the vessel **Blue Stingray**. They must also exhibit theoretical and practical knowledge of Crisis Management and Human Behavior to the competency assessor. Participants will be required to provide evidence of having achieved the required standard of competence and to undertake the tasks, duties, and responsibilities listed in Regulation V/2 (8) and A-V/2 (4) of Annex A of the STCW Code.
